

# MUTHII & SONS INVESTMENT LIMITED

## Company Overview

Muthii & Sons Investment Limited is a proudly Kenyan agribusiness company committed to connecting farmers and traders through a trusted, modern marketplace. We specialize in the buying and selling of fresh macadamia, avocados, cereals, and high-quality animal feeds such as maize germ, wheat bran, and cottonseed.

### Vision

To be the most trusted and efficient agricultural trading partner in East Africa, empowering farmers and enhancing food security through innovative and sustainable practices.

### Mission

To empower farmers and traders by providing a reliable marketplace with competitive prices, transparency, and seamless service in the agricultural value chain.

### Core Values

- Integrity - We conduct business honestly and ethically.
- Reliability - We deliver what we promise.
- Innovation - We embrace smart solutions to serve farmers better.
- Customer Focus - Our clients come first in everything we do.
- Sustainability - We believe in responsible sourcing and long-term impact.
